

CONSTRUCTION ALERT

MAY 21: LANE CLOSURES AT WESTBOUND SR-60 OFF-RAMP AND ON NORTHBOUND FULLERTON RD AND WESTBOUND GALE AVE FOR SCE UTILITY WORK

WHAT

Southern California Edison contractors will perform reelectrical utility vault work along Gale Avenue as part of the Fullerton Road Grade Separation Project.

WHAT TO EXPECT

Residents, businesses and motorists can anticipate:

- **Closures and Alternate Routes:** Planned closure of the right lane at westbound SR- 60 off-ramp, northbound Fullerton Road left turn lane, and westbound Gale Avenue right lane. Motorists are encouraged to follow and use posted alternate routes during this construction work (see map above).
- **Parking and Pedestrian Access:** There will be restrictions to pedestrian access near the construction zone.
- **Construction Activities:** Expect the presence of machinery and equipment, which can lead to potential noise, dust, and vibration.
- **Driveway Access:** Access to commercial driveways will be maintained.
- **Safety First:** We encourage pedestrians and motorists to exercise caution and follow all posted construction signs when navigating through or near the construction area for the safety of the public and the construction crew.

WHEN

The closure is planned for **Thursday, May 21, 2026** between 9:00 PM to Friday, May 22, 2026 at 3:00 AM. Construction schedules are subject to change due to weather or other unforeseen circumstances.
